Dear SBS Parents,

Your child has indicated an interest in participating in show choir for the 2019-2020 school year.

The SBS Music Program will be expanding next year and Show Choir students will be preparing to compete for the first time in school history in the Music in the Parks Competition at Six Flags New England in Agawam, MA on Friday May 29th 2020. This is an exciting opportunity for our students to work towards a goal and have the chance to bring home a trophy!

Because of this exciting opportunity the Show Choir program will take place After School from 3:30-4:30pm every Tuesday during the 2019-20 school year. There will be no show choir class during the school day. This allows us to have an uninterrupted hour to rehearse each week without the pressure of having an academic grade. Student's motivation will be to compete in the competition and then spend the rest of the day on rides at the Six Flags Theme Park. This program is for students who like to sing and are willing to spend time after school to improve their talents.

We need parent chaperones, parent car pools, as well as a group of parents to help us raise money for the trip. The approximate cost will be $70 per student without any fundraising. We have a whole year to plan!! Please select from the options below and return this page by 5/16/19. I will then follow up with a phone call to discuss details.
